

UNITED STATES OF AMERICA  
DEPARTMENT OF TRANSPORTATION  
OFFICE OF THE SECRETARY  
WASHINGTON, D.C.

Issued by the Department of Transportation on **August 10, 2004**

**NOTICE OF ACTION TAKEN -- DOCKET OST-2000-8101**

---

This serves as notice to the public of the action described below, taken by the Department official indicated (no additional confirming order will be issued in this matter).

Application of **AMERICAN AIRLINES, INC.,** filed **7/6/04** for:

**XX** Renewal of exemption authority under 49 U.S.C. §40109 to provide the following service:

Scheduled foreign air transportation of persons, property, and mail between the terminal point Chicago, Illinois, and the terminal point Cancun, Mexico. American requests renewal of the subject authority for an indefinite duration.

Applicant rep: **Carl B. Nelson, Jr. (202) 496-5647** DOT Analyst: **Linda L. Lundell (202) 366-2336**

**DISPOSITION**

**XX** Granted renewal of exemption authority for two years, subject to conditions (see below).

**XX** Dismissed request for longer term authority (see below).

The action above to renew the exemption authority was effective when taken: **August 10, 2004,**  
through **August 10, 2006.**

The action above to dismiss the request for longer term authority was effective when taken: **August 10, 2004.**

**Action taken by: Paul L. Gretch, Director**  
**Office of International Aviation**

**XX** Authority granted is consistent with the aviation agreement between the United States and Mexico.

Except to the extent exempted or waived, this authority is subject to the terms, conditions, and limitations indicated:

**XX** Holder's certificates of public convenience and necessity

**XX** Standard Exemption Conditions (attached)

---

**Special Conditions:** The U.S.-Mexico exemption authority granted is subject to the dormancy notice requirements set forth in condition 7 of Appendix A of Order 88-10-2.

**Remarks:** In its application, American requested that the subject authority be renewed for an indefinite period. Consistent with our standard practice for this type of application, we renewed American's authority for two years and dismissed its request for longer-term authority.

---

On the basis of data officially noticeable under Rule 24(g) of the Department's regulations, we found the applicant qualified to provide the services authorized.

Under authority assigned by the Department in its regulations, 14 CFR Part 385, we found that (1) our action was consistent with Department policy; (2) grant of the authority was consistent with the public interest; and (3) grant of the authority would not constitute a major regulatory action under the Energy Policy and Conservation Act of 1975.

- see next page -

To the extent not granted or dismissed, we denied all requests in the referenced Docket. We may amend, modify, or revoke the authority granted in this Notice at any time without hearing at our discretion.

Persons entitled to petition the Department for review of the action set forth in this Notice under the Department's regulations, 14 CFR §385.30, may file their petitions within seven (7) days after the date of issuance of this Notice. This action was effective when taken, and the filing of a petition for review will not alter such effectiveness.

## **U.S. Carrier Exemption Conditions**

In the conduct of the operations authorized, the U.S. carrier applicant(s) shall:

- (1) Hold at all times effective operating authority from the government of each country served;
- (2) Comply with applicable requirements concerning oversales contained in 14 CFR 250 (for scheduled operations, if authorized);
- (3) Comply with the requirements for reporting data contained in 14 CFR 241;
- (4) Comply with requirements for minimum insurance coverage, and for certifying that coverage to the Department, contained in 14 CFR 205;
- (5) Except as specifically exempted or otherwise provided for in a Department Order, comply with the requirements of 14 CFR 203, concerning waiver of Warsaw Convention liability limits and defenses;
- (6) Comply with all applicable requirements of the Federal Aviation Administration and with all applicable U.S. Government requirements concerning security, including, but not limited to, 49 CFR Part 1544. To assure compliance with all applicable U.S. Government requirements concerning security, the holder shall, before commencing any new service (including charter flights) to or from a foreign airport, contact its International Principal Security Inspector (IPSI) to advise the IPSI of its plans and to find out whether the Transportation Security Administration has determined that security is adequate to allow such airport(s) to be served; and
- (7) Comply with such other reasonable terms, conditions, and limitations required by the public interest as may be prescribed by the Department of Transportation, with all applicable orders and regulations of other U.S. agencies and courts, and with all applicable laws of the United States.

The authority granted shall be effective only during the period when the holder is in compliance with the conditions imposed above.
